Burns & McDonnell Expands Presence in Idaho With New Office in Boise

BOISE, Idaho (April 20, 2026) — [Burns & McDonnell](#), a 100% employee-owned consulting, engineering and construction company, announced plans to open an office at 1120 S. Rackham Way in Meridian, Idaho, in the Boise metropolitan area.

“From designing and building the infrastructure communities depend on to creating jobs in the Boise metropolitan area, we are excited to grow in Idaho,” says [Jason Mayyak](#), vice president and general manager for Burns & McDonnell in the Mountain Region. “Our growth reflects our continued commitment to delivering for our clients and creating great places for our employee-owners to live and work.”

To support its continued growth in the region, the firm with more than 13,000 employees across the U.S. is [actively hiring professionals in engineering, construction, consulting and environmental services](#).

“As one of the nation’s fastest-growing cities in recent years, Boise is a prime location for us to attract talent and support our clients across the region,” Mayyak said.

Burns & McDonnell is consistently ranked among the nation’s top design and construction firms by *Engineering News-Record*, including No. 8 on the Top 100 Design-Build Firms list, No. 1 among Power Design Firms and No. 5 among Top Design Firms in the Mountain States and Southwest in 2025.
